**Basic (Level 1):** A slow-paced class incorporating breath, movement and relaxation for those who prefer rests between poses. Props and modifications offered for proper alignment and ease in the postures. For those new to yoga, or anyone preferring this practice style.

**Flow (Level 1-2):** A faster paced class with dynamic movements focusing on developing strength and flexibility. The basics of inversions and back bends are offered for those ready to take their practice to the next level. Previous yoga experience helpful.

**Vinyasa Wall Ceiling Sling (Level 2):** A creative innovative approach combining breath-based vinyasa and Iyengar wall and ceiling sling techniques. The class will start with a flow and then transition to using the yoga wall and ceiling slings where poses are done with Yoga straps to help align and create new depth.
